Tour Details

We are very pleased to be able to offer a unique guided cycle tour of Oxford, where you can see and experience so much more of Oxford and what it has to offer.

Our tour starts in the city centre exploring some of the fascinating dreaming spires, before escaping the hustle and bustle of the city centre into the surrounding countryside to ride in the un-touched Port Meadow alongside the River Thames, before getting a taste of the daily lives of past and present Oxonians.

The Official Oxford cycle tour has 11 carefully selected designated stops, offering a good mixture of history, culture and hidden gems.

At each stop our friendly guides will share some insight into our historic city, allowing plenty of time for interaction and photographs.
